金属拉丝系列

JS-Silk

人生的风景
其实不在漫长的路上
不在别人的视线里
而在我们自己的心中

Scenery of life
Not on the long road
Out of sight
And in our own hearts

人生就是需要一段这样的时光去想
一段可以把一杯茶从暖喝到凉
从浓品到淡的时光

Life just needs a time like this to think
One can drink a cup of tea from warm to cold
From strong to light time

JS-Silver sword

如果可以
就让我们只做半生不熟的好友
这样你便舍得一直温柔待我
而我也舍得一直对你温柔
毕竟你我不算熟
所以也就没了放肆的理由

If possible
Let's just be half-friends
So you can always be gentle with me
And I will always be gentle with you
After all, you and I barely know each other
So there's no reason to be presumptuous

到了一定年龄，便要学会寡言
每一句话都要有用，有重量
喜怒不形于色，大事淡然
有自己的底线

At a certain age, one must learn to be silent
Every word must be useful and weighty
Anger does not appear in color, big events are indifferent
Have your own boundaries

从我学会奔跑那一刻起
我就开始不停地向前奔跑
因为我不敢回头
怕回头看见的
是你眼角的失望

From the moment I learned to run
I just started running forward and forward
Because I don't dare to look back
Afraid to look back
The disappointment in the corner of your eye

我一直坚持的一个信念是
改变不了大环境
就改变小环境
做自己力所能及的事情
你不能决定太阳几点升起
但可以决定自己几点起床

One of my beliefs is that
Doesn't change the big picture
Just change the little environment
Do what you can
You can't decide what time the sun rises
But you can decide what time you wake up

有粉笔的气味
各处布满参差裂痕的玻璃窗
远处传来的运动部的声音
夕阳投出的片片樱瓣倩影
静谧安逸的睡息
风景开始变迁

It smells of chalk
There are jagged and cracked glass Windows everywhere
The distant sounds of the Ministry of Motion
The beautiful cherry blossoms cast by the setting sun
Quiet and peaceful sleep
The landscape begins to change

金属纹理柔美和谐
如一曲金色的旋律在流曳，秀丽、明快
没有沧海桑田的厚重
犹如一首玲珑的小诗，随意、自如。

The metal texture is soft and harmonious
Like a golden melody in the flow, beautiful, bright
Not as thick as a sea change
Like a small poem, casual, free.

人跟人之间的感情就像织毛衣
建立的时候一针一线，小心而漫长
拆除的时候只要轻轻一拉
卸载永远比安装快
失去永远比得到快

Relationships between people are like knitting a sweater
Build it up one stitch at a time, carefully and slowly
Just pull it gently when you remove it
Uninstalling is always faster than installing
It is always faster to lose than to gain
